

NATIONAL NUCLEAR ENERGY STRATEGY

Maria Korsnick
President and Chief Executive Officer
Nuclear Energy Institute

Molten Salt Reactor Workshop 2017
Oak Ridge National Laboratory
October 3-4, 2017

NATIONAL NUCLEAR ENERGY STRATEGY

CREATE THE NUCLEAR IMPERATIVE

PRESERVE

Appropriately value
nuclear generation

SUSTAIN

Create sustainability
via improved
regulatory framework
and reduced burden

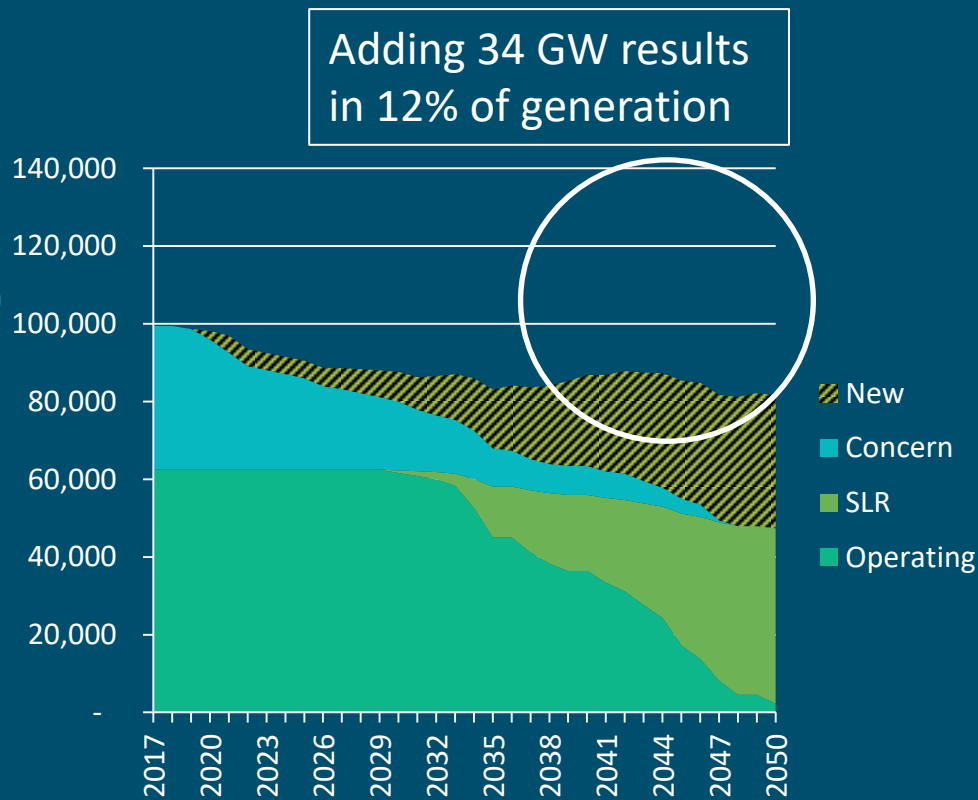

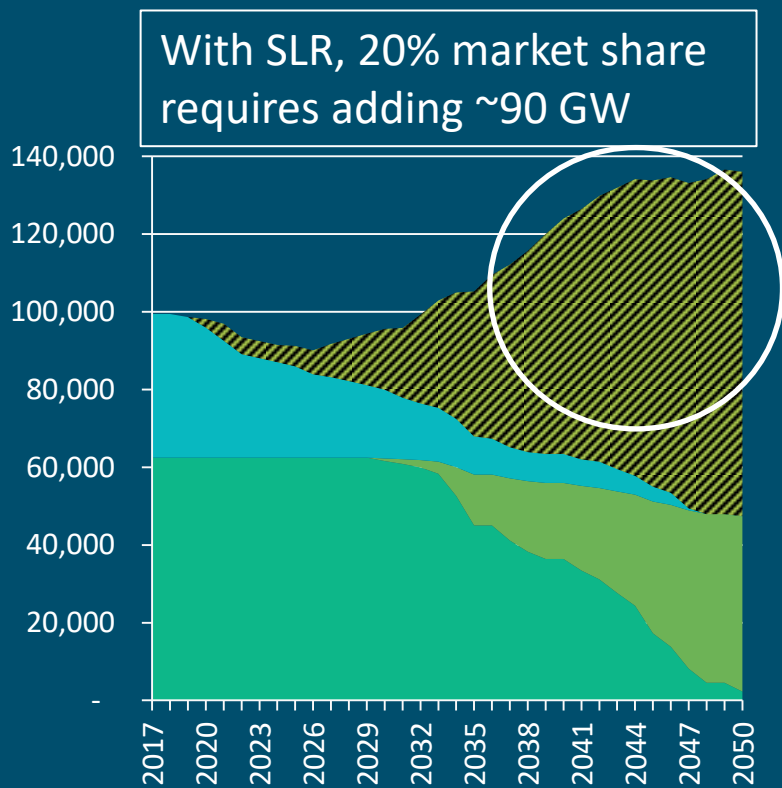

INNOVATE

Innovate,
commercialize,
and deploy
new nuclear

THRIVE

Compete globally

Scale of New Builds

INNOVATE

INNOVATE, COMMERCIALIZE,
AND DEPLOY NEW NUCLEAR

DESIRED OUTCOMES

- Create durable bipartisan and public support for new nuclear
- Enable and encourage technology innovation
- Create a streamlined and predictable regulatory licensing pathway to deployment
- Build the commercial pathway to deployment
